

Chalet Zaza Morzine

What we love...

We love the warm and inviting open plan living space, with its striking suspended fireplace and enormous windows with mountain views.

A charming, brand-new luxury ski chalet in Morzine, Chalet Zaza is equipped with everything you need for an unforgettable stay in this sought-after resort. Just a 10-minute walk from both central Morzine and the chocolate-box village of Montriond, it offers easy access to the pistes as well as an array of shops, bars, and restaurants.

The heart of Chalet Zaza is its elegant yet homely open plan living space, comprising a spacious kitchen, dining area, and sitting area with plenty of comfortable seating. The stylish decor pays homage to the mountains, with cowhide rugs and gondola print cushions complementing the graceful wooden beams above. Flames flicker in the modern suspended fireplace while beautiful views can be admired through the floor-to-ceiling windows. Step through the French

doors onto the balcony, the perfect place to sip mulled wine as the sun sets over the summits.

Nearby on the sheltered terrace, Chalet Zaza's outdoor hot tub beckons for some relaxing après-ski. Grab a glass of something chilled and soothe those aching limbs, the perfect way to unwind after a day of exploring the enormous Les Portes du Soleil ski area.

On the lower floors, you'll find four delightful bedrooms, each with its own private or en-suite bathroom. Here's also where you'll find the handy ski and boot area with heated racks for toasty-warm boots.

Chalet Zaza can be combined with Chalet Four Twenty L'Elé, opposite, to sleep up to 18 people, the perfect solution for large groups seeking spacious accommodation for their luxury ski holiday.

Kids

With its family-friendly layout and central location, Chalet Zaza is ideal for groups with children.
