

Vail Lodge Apartment A22

Val d'Isère

What we love...

We love the outdoor hot tub, which looks out onto the snowy slopes.

Cosy up with friends or family in a ski apartment in Val d'Isère and enjoy the combination of hotel-style luxury and the privacy of your own self-catered apartment. Vail Lodge Apartment A22 is one of a small handful of apartments that make up the Vail Lodge building, a highly sought-after residence in the Legettaz area of Val d'Isère.

The modern interiors make this a space which is easy to relax in. Sprawl on the brightly coloured sofas and armchairs around the roaring fire to watch TV or just relax with the papers and a coffee in the morning... Gather around the kitchen bar area with a glass of wine before taking your seats at

the contemporary dining table for laid-back meals with friends... Or make your way out to the pretty terrace where you can bubble away in the hot tub, soothing slopes-weary limbs, or sit in the outdoor living space with a glass of bubbly, watching skiers hurtling down the mountainside. With ski-in/ski-out access, you'll feel truly up close to all the action on the slopes in this beautiful, bijou apartment.

Three welcoming en-suite bedrooms, stocked with pampering products, sleeps up to six adults and cots are available for little ones to use. Everyone gets a warm welcome at Apartment 22.
