

Vail Lodge Apartment B31

Val d'Isère

What we love...

We love the outdoor terrace with al fresco living and dining spaces and a luxurious hot tub.

Offering the perfect combination of home comforts and little luxuries, Apartment B31 at Residence Vail Lodge is a great base from which to explore the best of Val d'Isère. The apartment offers all the intimacy of a private ski chalet but with the benefits of reception and concierge staff on hand whenever you need them.

You can step into this ski-in/ski-out property straight off the piste, and you'll feel instantly at home. Natural materials such as wood and stone bring a warm feel, while the pared-back design is totally contemporary. Pops of dark blue and burnt orange bring colour and cheer to the neutral palette.

The open-plan design brings everyone together in a really sociable way, with a refectory dining table in one corner, a modern kitchen with bar area in the other, and opposite, two generously sized living spaces, once gathered around the roaring fire and the other forming a TV zone where you can relax with a film.

A spacious outdoor terrace accommodates the bubbling hot tub, where you can soothe aching slopes-weary limbs. There are also al fresco living and dining spaces on the two balconies. Grab a coffee or a glass of bubbly and a big, warm throw and head out here to take in the amazing views and the mountain air.
