### Val d'Isère

### What we love...

We love the terrace with relaxing hot tub and barrel sauna.

A warm welcome awaits at Penthouse A32 at the prestigious Vail Lodge Residence. A handful of high-end apartments make up this beautiful building in the Legettaz area of Val d'Isère, combining the privacy and quiet of your own luxury ski chalet with the service and ease of a hotel, where concierge and reception staff are always on hand.

The ski-in/ski-out property means you can ski straight out of the building and really make the most of the wonderful runs around the area, and when it's time to come home, you can be in your Penthouse apartment with your feet up in moments.

Penthouse A32 is a wonderful place to come home to. Rich woods, natural stone and stacks of faux-fur throws bring plenty of Alpine charm while modern design and clever tech provide all the home comforts you could need. Relax with friends in front of the roaring fire or around the long dining table, just enjoying each other's company. Or escape to the snug on the mezzanine floor with a good book and a glass of wine.

A spacious terrace with barrel sauna and bubbling hot tub becomes an outdoor wellbeing space where you can soothe aching muscles and take in the mountain air while you restore body and mind – best enjoyed with a glass of Champagne under the stars before bed.
