

Vail Lodge Penthouse B41

Val d'Isère

What we love...

We love the outdoor hot tub, tucked under the eaves, with views of the mountain.

Escape to your own mountain retreat in one of Residence Vail Lodge's prestigious penthouse apartments. This luxury ski chalet in Val d'Isère is set in the quiet Legettaz area, offering both peace and privacy, but in the beautiful Vail Lodge building where concierge and reception staff are on hand for anything you need.

The penthouse is thoughtfully designed using rich woods and a neutral palette for a laid-back feel and eclectic contemporary furnishings. The spacious, open-plan living areas are a wonderful place in which to gather with family and friends. There are two living areas – one with comfy sofas in which to relax and the other set around a TV for catching a film in the afternoons. At the heart of the property is a

roaring wood fire, which feels all the more cosy when you look through the windows at the snowy landscape outside. An intimate and stylish dining area provides a backdrop for long, leisurely meals and the contemporary kitchen makes it easy to whip up a culinary storm.

Step outside onto the furnished balcony and you can enjoy wonderful mountain views. There's also a bubbling hot tub tucked in under the roof from which you can watch skiers hurtling down the mountainside in total comfort. And when you're ready to join them, this beautiful penthouse has direct slopes access, so you'll never waste a moment getting to the slopes when you could be out there enjoying all the thrills and spills of Val d'Isère's runs.
