### What we love...

We love the private spa, with sauna, Hammam and sparkling swimming pool.

As cosy as it is contemporary, this luxury ski chalet in Méribel is a wonderful base for a group of family or friends. Brand new for winter 2025 season, Chalet Kalinka has a modern country house style with warm woods and stone. You'll feel right at home as soon as you walk in the door.

The heart of this chalet is the open-plan living space where a statement fireplace takes centre stage. A comfortable seating area, sleek kitchen, stylish dining room and a pool table make this a place where everyone can gather together, cooking, eating, and sharing tales of your mountain adventures. Vaulted ceilings and huge windows allow you all to enjoy the wonderful views.

There are plenty of spaces to find a little peace too. Pad down to the spa area with Hammam, sauna and swimming pool, or put your feet up with a movie in the cinema and games room. The master bedroom even has its own study area and a roll-top bath to soak in if you feel like a little time in your own company.

With an in-resort driver service, concierge and housekeeping staff on hand each day, you'll have nothing to do here but enjoy the cosy atmosphere and relaxing ambience of Chalet Kalinka.

The cosy dining space makes a wonderful backdrop for long, leisurely meals and the nearby wine cellar means you can always find a bottle of something special to complement your meal.
